o. 663-I. A., dated February 16th, 1905, from the Under-Secretary in the Foreign Department to the Government of India, to the Hon'ble the Agent to the Governor-General in Rajputana.

The greater portion of the security for these loans having been adjudged the property of Patiala, the Committee has been unable to liquidate the claims for want of funds.

6. Of the loans contracted by the Committee for the liquidation of claims, the following balances remain unpaid :—

|                                   |     |     | Rs.      | s. | p. |

| Total                             | ... | ... | 1,98,744 | 0  | 0  |

Messrs. Graham and Co.'s sterling loan has been paid off, but the failure of the Committee to raise an Indian Loan from the Bank of Bengal as proposed, owing to the inability of the Political Agent to sign the bond, resulted in an extra payment of £2,500 which might have been avoided, the firm having consented to forego "return" commission for immediate payment.

Rs. a. p. The total amount realised from the assets of the estate are as under :—

| Total |                              | 1,480 | 0  | 0  |

The main items of jewellery which were valued by Messrs. Hamilton and Co and Messrs. Cooke and Kelvey at Simla on May 10th, 1902, at Rs. 40,39,214 have been disposed of as under :

|                                       | Rs.       | a. | p. |
|---------------------------------------|-----------|----|----|

| Total ...                             | 40,39,215 | 0  | 0  |

The amount sold realised Rs. 24,85,775 showing a loss of 21.95 per cent under the valuation. This loss was probably due to the fact that the valuation was made when the jewel market was exceedingly high, and that, owing to delays over which the Committee had no control, the sales could not take place until prices had materially fallen throughout the world. If the jewels had been sold promptly, there is no reason to doubt that they would have realised much higher prices.

The other assets sold well; much above the very rough valuation which was made of them.

Another cause in which the delays alluded to above materially added to, and are still adding to, the burdens of the estate, is the interest which accrues on the original Bank claims and

n accounts. Notwithstanding payments made, the following interest has accrued :—

|                                   |     |     |     | Rs.      | a. | p. |
|-----------------------------------|-----|-----|-----|----------|----|----|
| (i) Compromise Loan               | ... | ... | ... | 1,06,584 | 0  | 0  |
| (ii) Joint Dholpur-Patiala Loans— |     |     |     |          |    |    |
| (a) Alliance Bank                 | ... | ... | ... | 1,49,945 | 0  | 0  |
| (b) Bank of Upper India           | ... | ... | ... | 1,45,578 | 0  | 0  |
| Total                             |     |     |     | 4,02,107 | 0  | 0  |

Regarding the Bank of Upper India Claim it may be noted that the interest is at 10 per cent per annum and now *greatly* exceeds the capital amount.

This interest therefore largely accounts for the deficit shown below.

9. Expenses in connection with the sale of assets inclusive of all commissions, insurance, &c., amount to Rs. 1,71,145, or  $5\frac{1}{2}$  per cent on gross realisations. All other charges including establishment, contingencies, transport of jewels, Accountant's charges, &c., amount to Rs. 14,843 or one-half per cent.

The total expenses in connection with the work done to date is therefore only 6 per cent of the gross value of the estate.

10. Appendix A gives the results of the investigation into each claim and Results attained. shows the amounts paid.

Appendix B is an abstract of Appendix A.

Appendices C-I, C-II, C-III, C-IV, D and E give the details of each sale, and show the price realised for each article.

Appendix F is an abstract of the Committee's Cash Account showing that out of a total of Rs. 47,67,691, Rs. 30,90,619 have been realised from assets and Rs. 16,56,080 by loans. Rs. 20,990 are refunds or cross entries.

Of the above total, Rs. 26,64,242 has been paid in satisfaction of claims, Rs. 1,85,989 in expenses and Rs. 18,98,954 in liquidation of loan accounts and interest thereon. The balance in the hands of the Committee amounts to Rs. 18,504.

11. Appendix G gives the remaining liabilities of the estate. They are—

|  |     |     |     | Rs.       | a. | p. |
|--|-----|-----|-----|-----------|----|----|
| (i) Claims due to the Dholpur State                | ... | ... | ... | 2,10,512  | 6  | 9  |
| (ii) Balance of loans with interest                | ... | ... | ... | 1,98,743  | 10 | 9  |
| (iii) Subscription to Victoria Memorial            | ... | ... | ... | 50,000    | 0  | 0  |
| (iv) The Joint Dholpur-Patiala Loans with interest | ... | ... | ... | 8,69,129  | 0  | 0  |
| Total  |     |     |     | 13,28,384 | 1  | 6  |

12. The remaining assets are shown in Appendix H. These may be now valued at Rs. 1,54,792 only.

13. The combined result of the low prices realised and the decision of the Government of India in the matter of the Patiala claims is to make the estate insolvent. The estate is now liable for the whole of the Joint Loans together with the whole of the interest.

which has been accruing during the three years in which the enquiry has been proceeding, while at the same time the possible assets have been largely reduced; and unless this decision be reconsidered a deficit of Rs. 13,28,385—Rs. 1,54,792=Rs. 11,73,593 is certain, plus such interest as may hereafter accrue. Repudiation of (i) the Dholpur State Claims Rs. 2,10,512, (ii) the Victoria Memorial subscription Rs. 50,000, and (iii) the Bank of Upper India Claim Rs. 4,18,738 would appear to be the only course to pursue. A similar course cannot be taken in regard to the Alliance Bank balances which have been conditionally guaranteed.

The Committee can only add its regret that the result of three years' extraordinarily difficult and responsible work should end so unhappily.

A loan of Rs 7,50,000 at 6 % per annum from the Alliance Bank of Simla has been raised to pay off this account of which a balance of Rs 1,31,568 remains unpaid.

Claims examined, found correct and paid

(u and v) These accounts together with Messrs S. J. Telleys & Co.'s accounts (T I) and a portion of Messrs John King and Co.'s account formed the subject of the compromise, proposed by the Committee and lately sanctioned by Government.

The guaranteed amount is Rs 6,84,703 at 5 % per annum from the 30th June 1903, and now standing the sum of Rs 4,00,381, notwith-  
 For this amount the recent decision of the Government of India (in letter No. 165-T A of February 16th, 1905, from the Under-Secretary in the Foreign Department to the Hon'ble the A. G.) now makes the estate responsible, while at the same time adjudging a portion of the security valued at Rs 2,07,000 to be the property of the Patana Darbar.

(u) This account, which is called the Dholpur-Patana Joint Loan Account, has been, at the suggestion of the Committee, jointly guaranteed by the Political Agents of the States

The Committee do not propose to take any action against Mr Jacob for the recovery of this sum, as he is believed to have no assets

(c) This amount, although <sup>1000</sup> given a Pro-note for the original amount, Rs 44,000, and had already paid Rs. 10,310 as interest on it.
